

**MEMORANDUM OF AGREEMENT
REGIONAL TRAIL PROJECT**

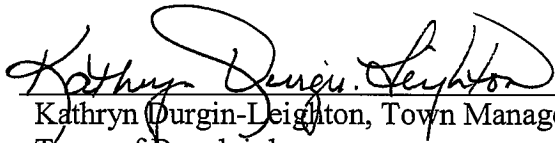

The purpose of this Agreement is to show our support for the planning of a regional trail system, which connects our communities. The vision for this regional trail is to connect the Androscoggin River Pedestrian Bike Path in Topsham, the Village Center in Bowdoinham, the Village Center in Richmond, and the Kennebec River Rail Trail in Gardiner.

We give our support to our municipal staff, our residents, our municipal committees, and other interested parties to work together towards achieving the vision of this regional trail system.

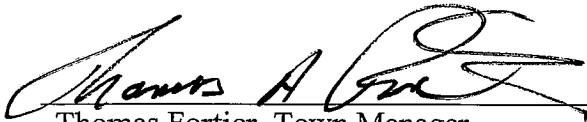

We, the municipalities of Topsham, Bowdoinham, Richmond and Gardiner agree to work together to plan for a regional trail from Topsham through Bowdoinham and Richmond to Gardiner.
